WORLD'S LEADING DESIGNERS AND ARCHITECTS ARE HONORED DURING HOSPITALITY DESIGN MAGAZINE'S 5TH ANNUAL HD AWARDS

NEW YORK (May 21, 2009) – Recognizing the achievements of superior design and architecture at some of the most prominent locations around the globe, *Hospitality Design (HD) magazine* announces the fifth annual **Hospitality Design Awards (HD Awards)** on **Thursday, June 4** honoring a distinguished group of creative visionaries who have raised the bar in the field of design. Taking place from **6:30 to 9:30 p.m.** at the Hudson Theatre at the Millennium Broadway Hotel in New York City, the evening will honor some of the world's most innovative architecture and interior design firms in thirteen categories, including some new divisions this year such as separate honors for luxury guestrooms or suites and public spaces.

Twelve winners and thirteen finalists, which include design professionals representing international firms in destinations as far away as Hong Kong, Amsterdam, and Mexico, will receive their recognition from **Michael Adams**, Editor-in-Chief of *Hospitality Design* magazine and **Michelle Finn**, Vice President and Publisher of Hospitality Design Group. “We are extremely pleased at the response from entrants this year, both in quality and quantity. The level of creativity and excellence from these designers continues to impress and inspire us,” says Adams.

Organized by HD Awards Project Manager **Jana Schiowitz**, the program received nearly 400 submissions in categories ranging from “Luxury/Upscale Hotel” to “Student Project”, where top university students who study architecture and design were encouraged to submit their creative ideas and vision for the next major hospitality project. Another highlight is the “**Best of Show**” award which will be unveiled at the end of the ceremony to the top hospitality design project of the year. All recipients are also featured in the 2009 May/June issue of *Hospitality Design* magazine.

The HD Awards were judged by a distinguished group of industry professionals including: Peggy Leung, Studio Gaia; Matt Harvey, Joie de Vivre Hospitality; Ali Honarkar, Division1 Architects; Russell Groves, S. Russell Groves; and D.B. Kim, D.B. Kim Design. Sponsors include Mark David and Interiors From Spain, and the actual awards were sponsored by UltraGlas. A portion of the proceeds from the event will be donated to the Juvenile Diabetes Research Foundation.
