WHAT TO EXPECT

## OUR HEALTH + SAFETY PLAN

# A LETTER FROM THE HD TEAM

This past year has challenged us all with a global pandemic affecting every facet of our personal and professional lives. It underscores the immeasurable value of human connection and interaction with family, friends, colleagues, and business associates. Yes, there have been silver linings, but boy have we missed seeing each other live, face-to-face.

We have stayed in touch online across various digital platforms, but we have never been so excited to reconnect the hospitality industry IRL. There is no replacement to face-to-face events.

For the HD experience, we believe our first responsibility is to you. We are committed to the health and safety of our customers, partners, guests, and teams. As we prepare to stage HD Expo + Conference, August 24 and 25, 2021, at Mandalay Bay Las Vegas, we have meticulously planned for a safe return to live events.

Please know we are working very closely with the city of Las Vegas, MGM, and Mandalay Bay as we follow all federal, state, local, and CDC guidelines. We hope the guidelines and resources provided by our teams will answer your questions and ease any concerns over health and safety.

We believe in the value of human connection and are eager to welcome the hospitality design community back to Las Vegas. If you have any specific questions, please reach out. We are here to help.

Cordially,
